CURIOSITIES

Tre storie si intrecciano: surreali ad un primo sguardo, riflettono lo spirito del nostro tempo. Il racconto del domani narra di immaginazione, personalità e libertà creativa.

Ispirata alle *Mirabilia* - stanze straordinarie colme di meraviglie rare e fuori dal comune - la collezione FW26/27 esplora il misterioso, il surreale e l'inaspettato.

Dalle tenebre gotiche alle creature immaginarie, ogni tema espande le possibilità della maglieria attraverso punti tattili e contrasti cromatici. Come una camera delle meraviglie, il collection book diventa uno spazio dove scovare rarità, accostamenti insoliti e texture sorprendenti.

Three stories unfold: surreal at first glance, they echo the spirit of our time. The tale of tomorrow is one of imagination, self-expression and creative freedom.

Inspired by the Mirabilia - incredible rooms filled with rare and extraordinary wonders - the FW26/27 collection explores the mysterious, the surreal, and the unexpected.

From gothic shadows to imaginary beings, each story expands the possibilities of knitwear through tactile stitches and contrasts of color. Like a cabinet of curiosities, the collection book becomes a place of rare finds, strange pairings, and unexpected textures.

Un racconto di luce e ombre. La pura innocenza incontra le tenebre in un regno plasmato dalla narrativa gotica. Paillettes e broccati lamé richiamano l'opulenza di castelli transilvani, mentre punti traforati ispirati alle cattedrali evocano le atmosfere inquietanti di Edgar Allan Poe. Spalle Frankenstein, drappaggi in velluto e volumi drammatici suggeriscono creature misteriose nascoste nel buio. Un racconto di mezzanotte, con una tensione mistica tra purezza e oscurità in perfetto equilibrio.

A tale of light and darkness. Pure innocence meets the shadows in a realm shaped by gothic fiction. Sequins and brocade lamé echo the opulence of Dracula's castle, while cathedral-inspired knits conjure Edgar Allan Poe's haunting atmospheres. Frankenstein shoulders, velvet drapes and dramatic volumes hint at mysterious creatures lurking out of sight. A mystical tension between purity and obscurity. It unfolds like a midnight tale, where light and shadows dance in delicate balance.

Le fiabe dell'infanzia ritornano con un tocco inaspettato, immerse in un paesaggio campestre fatto di tweed, filati mouliné, frange e morbide eco-pellicce. Creature fiabesche prendono vita attraverso texture ispirate al mondo animale - plumetis, pois, jacquard impalpabili - mentre punti classici come l'aran e l'argyle ancorano il racconto alla tradizione. Una narrazione nostalgica e giocosa al tempo stesso, che fonde l'innocenza dei primi sogni con la consapevolezza adulta. Una collezione che parla di ciò che eravamo e di ciò che siamo diventati, con lo sguardo incantato di un bambino.

Childhood tales return with a twist, set against a countryside backdrop of tweeds, mouliné yarns, fringes and soft faux fur. Fairytale creatures come to life through animal-inspired textures - plumetis, tiny dots, downy jacquards - while classic stitches like aran and argyle ground the story in tradition. A nostalgic yet playful narrative unfolds, blending the innocence of early dreams with the depth of adult awareness. A collection that speaks of who we were, and who we've become - through the eyes of wonder.
