Composizione: 90% Lyocell LF - 10% PBT Poliestere  
Colori a Campione: Sì

**SPECIAL CARES:**

I colori di cartella sono da considerarsi indicativi. Per effetto del diverso assorbimento tintoriale tra poliestere e Lyocell alcuni colori potrebbero presentarsi non perfettamente ugualizzati nella tonalità.  
Per evitare effetti di piega e stropicciatura si consiglia di asciugare i teli maglia con un tasso di umidità superiore alla media e stirare subito dopo l'asciugatura. Si raccomanda l'utilizzo a più guidafili.  
TENCEL™ è un marchio registrato di Lenzing AG.

Composition: 90% Lyocell LF - 10% PBT Polyester  
Customer Colors: Yes

**SPECIAL CARES:**

Shade card colors should be considered just as an indication. Due to the different color absorption between polyester and Lyocell, colors might appear not perfectly equalized in shade.  
To avoid creasing and wrinkling effects it is recommended to dry the knitted pannels with a humidity level above average and iron immediately after drying. We recommend to use more threadguides.  
TENCEL™ is a trademark of Lenzing AG.
